To

T. E. Jayarama Iyer Esq., B.A., ----;

Secretary to the Government of ---- the charge

of Mysore Muzrai Department Bangalore.

Sir,

In March last, I submitted to you a petition, bringing to your kind notice that the "Kalaseswara Mahatme which I had been getting up had been brought out of the press and requested your honour to order for atleast 200 copies but the Secretary in charge of the Department during your absence on leave favoured me with an order for a dozen copies, which is being supplied apart by.

During your kind visit to Kalasa and in the presence of the the Deputy Commissioner, Kadur District, the Assistant Commissioner the Taluk Amildar and the Sharmadarsis, you were pleased to give me an impetus to bring out the publication and promise to take atleast 200 copies for supplying to the several Muzrai Institutions. Backed up by your kind promise, I ventured to invest a sum of Rs.1000/- and odd over the printing and publishing of the book and to my surprise and misfortune the order of the 1st June was sent to me.

It is therefore my humble request that you should be pleased to favour me with a purchase of atleast 200 copies as per your -- promise so that I may recover a fourth of the amount I have invested over the publication.

On more than one occasion, similar publications have been -- purchased out of the Kalaseswara Temple funds and distributed among the several Muzrai Institutions, recouping the amount by sale of the copies later on. I therefore request that a similar treatment may kindly be accorded to this modest attempt of mine so that I may

have

zeal and enthusiasm to bring out similar useful publications.

I need add nothing more here, since you know more of the book and its author. But my only wish is that you should favour me with encouragement as promised by you.

I beg to remain,

Sir,

Your most obedient servant,

(Camp) Bangalore,
The 15th July 1922.
